Using digital money for payments

Debit card = a card that can be used instead of cash when making purchases, which takes money directly from a bank account when the payment is made.

Making a plan

It's time to do some more shopping to buy tools for harvesting. Using an extra £10 budget that Anika's school has provided after the vegetables have grown, help Anika plan what to buy from the online shop.

Which of these items can you afford to buy with the money you have in the bank account?

Which items are essential (needs) and which are non-essential (wants)?

Needs or wants?

Spade: **£4**

Gardening gloves: **£3**

Basket: **£2**

Watering can: **£2**

Containers: **£1**

Hat: **£4**

Sun umbrella: **£5**
